ORDERING STANDARDIZED TESTS
Information Packet for Private Schools & Groups

(The only standardized test we can offer public schools is the TerraNova 2/CAT 6.)

For IOWA, TerraNova 3, Stanford Online, and CogAT tests, we ask that you order at least3-4 weeks before your desired test week if ordering between March 1-June 30.

Step 1: Create account here: setontesting.com/setonshoppingcartaccountregistrationpage/

Step 2: Decide which test you want to use.

Step 3: Download the spreadsheet found here: setontesting.com/schools-groups/ and enter the student information specified. Leave the "Stock Number" column blank.

Step 4: Email aschmiedicke@SetonHome.org the completed spreadsheet with the school or group contact information and brand of test desired.

Step 5: Login to your account at least 3-4 weeks before your desired test date to verify the accuracy of the items in your shopping cart, select your test week, and pay for the order.

We ship standardized test orders about 2 weeks before your selected beginning test week.

For CAT tests for your private school/group, **email aschmiedicke@SetonHome.org** with the school name, contact information, and the number of tests needed for each grade level. We will prepare your order and then contact you to verify its accuracy.

If you have any questions or concerns about placing your school or group order, please call Andrew at 540-622-5549.

More information about the standardized test brands, testing times, test questions, and test reports can be found on the following pages...
